

Transfer Policy

As more and more events impose field limits, discounted early registration fees and other cutoff dates, we at the Windermere Marathon want to assure our runners that their entry fee will lead to a quality experience. We understand the months-long training regimen that a runner goes through to achieve a quality marathon or half marathon performance and we are all too familiar with the effects of injuries and unforeseen scheduling conflicts. Our transfer policy is one of the most liberal you will find among marathon events.

At the Windermere Marathon, we allow transfers *up to and including our Expo!* Transfers may be made between events, between individuals or from year to year. The processing fee for any transfer is only \$15.00.

To initiate a transfer, complete Entry Transfer form bellow and submit it along with the transfer fee. If transferring between individuals, attach the new runner's completed and signed entry form. If transferring to a subsequent year, please complete and sign a mail-in registration form when that year's forms are available. Be sure to clearly indicate on that form that it is a transfer from a prior year.

Entry Transfer

Mail this form with your check for \$15.00 to:

Windermere Marathon
908 N Howard St
Spokane WA 99201

Entrants Name: _____

Address: _____
